CIB World Building Congress - Intelligent Built Environment for Life, 30 May - 3 June 2016, Tampere, Finland - Picture 7 of 20

Spring in Finland comes around April. The snow starts to melt and the trees regain their green foliage. Unlike the lakes, the rapids in Tampere never freeze over. They flow the same way they will in June 2016, when the CIB World Building Congress will be held in Tampere, Finland. Welcome to see for yourself!
